# Afterschool Enrichment Program

Looking for something exciting to do after school? Come check out all the programs we will be offering. Whether you're interested in science experiments, painting, ceramics, or chess, we've got just what you need to shake those Winter Blues. Registration must be completed at least one day prior to the program start date. We cannot accept registrations on the first day of class.

## Mad Science

Mad Science is back with one of our most popular programs! Some of the spectacular topics we will explore include Magnetic Magic, Sonic Sounds, and much more. Each young scientist will make some great take-home projects too, including a sonic horn, a magnetic lab, a periscope, and more. New topics covered in each session.
