PAINT AND STORY-TIME PROGRAM

Learn the secrets of awesome pottery painting by creating your own masterpiece and listening to a related story each week! We will select a wonderful story to read and the kids will paint a related ceramic art piece while exploring the tools and techniques of acrylic painting. An example is The Very Hungry Caterpillar and the kids paint a caterpillar or butterfly. Different concepts will be demonstrated each week as students explore the many aspects of color, brushstrokes, sponging, dry-brushing, texturing, shading and more. Kids will come home with great self-esteem, confidence, and a love of art as well as cool, colorful projects. Art smocks are recommended. Finished projects will be glazed immediately and taken home at the end of the session. All materials are non-toxic, odorless, and latex free. This is a drop-off program.
