The Special Recreation Association of Central Lake County's Administration Building is located in Hartmann Park.

The Vernon Hills Park District is a cooperative member agency of the Special Recreation Association of Central Lake County (SRACLCLC). The Association provides community based therapeutic recreation programs and services to people of all ages with disabilities or special needs.

SRACLCLC is a cooperative effort of the Grayslake, Vernon Hills and Mundelein Park Districts and the Villages of Hawthorn Woods, Lake Zurich, Lincolnshire, and Libertyville. Individuals residing within the boundaries of the Member Agencies are considered "residents" of SRACLCLC and may take advantage of the services available.

SRACLCLC offers more than 500 weekly programs, special events, and camp during the year. If you have any program suggestions or ideas that you would like to see offered, please contact the SRACLCLC office. SRACLCLC recognizes that some people with disabilities prefer to participate in recreation programs within their own Park District or Recreation Department. SRACLCLC can help you with this opportunity by providing an extra staff, if deemed necessary, sign language interpreters, behavior management support, disability awareness training and other adaptive services necessary for safe and successful participation.

Contact the SRACLCLC office (847)816-4866 if you would like to be placed on the mailing list and receive seasonal brochures.

SRACLCLC needs your help. Part-time staff is needed to assist individuals with special needs or disabilities. If you are interested in part-time work with SRACLCLC, contact the SRACLCLC office at (847)816-4866.
