Activity Descriptions

Lap Swim

There will always be one lane available for adults to swim. Swimmers 13 and older will be allowed to use the lanes for lap swimming only.

Adult Swim

During Adult Swim times only swimmers 18 years of age and older will be permitted to be on the pool deck. General Lap Swim rules are in effect.

Open Swim

Whether or not you are a member, you can drop in and go for a swim. Come in and use our pool to relax with the family. If you wish to use the splash zone, just ask a lifeguard to turn it on. Refer to the other side regarding Blue Slide hours.

Water Aerobics

A medium to low impact class for anyone who wants to improve cardio endurance and enhance body tone.

Swim Lessons

During Swim Lesson times, we offer a quality learning experience for our participants. To ensure the attention is focused on the lesson, we ask that there be no open swim during these times.

Swim Team - Turtles Swim Team

Our competitive swim team exists to benefit all children who show an interest in training and competing. Program objectives are to help these young athletes develop to their full potential while clarifying their personal values. The Team uses 3 lanes while in the pool.

Little Learners Preschool Swim

We offer a time for our childcare program to come in and use our pool.

Blue Slide

The blue slide will be turned on promptly at designated start times. For every 45 minutes of operation, both play features, including the slide and splash zone, will be turned off for a 15 minute safety break.* Please call to check staff availability*

Lap Swimming Etiquette

1. Please swim in a counter-clockwise pattern.
2. Notify all swimmers in a lane before you enter and begin swimming.
3. When entering a lane, give the current swimmer the right of way.
4. Limit the amount of time resting at the end of the lane. Please move to the side of the lane when resting.
5. Patrons performing other activities, such as water aerobics or water walking, are asked to swim in the square area located by the waterslide when there is a high volume of lap swimmers.
6. When all lanes are in use, please use the lane that best suits your swimming ability (slow, medium or fast) not the most open lane.

Water Wonderland!

The weather outside is frightful, but the water inside is delightful! Come to this exclusive winter open swim at the Lakeview Fitness Indoor Pool. Santa will even stop by to get his toes wet.
