Someone’s sitting in the shade today because someone planted a tree a long time ago.

- Warren Buffet

Tree and bench donations are accepted in all District parks!

Benches
This bench compliments every park setting. The bench is secured in a concrete slab. An attractive bronze plaque (optional) is attached to the bench back.
**Make a special contribution to our environment:**

Donate a tree or park bench in honor or in memory of someone special in your life!

**Trees**

Trees are sold at cost, prices range from $250 - $450, depending on the type of species selected and size of tree. Tree donations are accepted year-round, but are only planted from spring to fall (weather permitting). Evergreens are only planted in the fall. All newly planted trees will have a 25 gallon water bag placed at the base of their trunk and regularly watered for the first two years or until established. Should your donated tree become damaged or die, it will be replaced at no cost to you. Peripheral plantings, landscape enhancements, or markers are not permitted.

*Tree and bench installation is based on weather conditions.*

**Bench**

For those who like to walk in the parks, a bench donation might seem especially appropriate. The District has selected a black park bench that will complement any of our parks. Benches may be purchased at cost for $750 and personalized with a bronze plaque for an additional cost.

*Bench placement is based on availability.*

**Personalization**

Tree and bench donations can be personalized with a bronze plaque, which is also sold at cost. Plaques are placed at the base of the trees or attached to the bench back.

For more information or to place an order, contact Rick Krocza at (847) 996-6831 or rickk@vhparkdistrict.org.

---

**Tree or Bench Location**

Please list your preferred park location. Parks are listed on the back side of this pamphlet. You will be contacted to discuss a specific planting location within the park.

Park Name ___________________________
