Someone’s sitting in the shade today because someone planted a tree a long time ago.
- Warren Buffet

Tree and bench donations are accepted in all District parks!

**Make a Special Contribution to Our Environment.**

Donate a tree or park bench in honor or in memory of someone special in your life!

**Trees**
Trees are sold at cost, prices range from $250 - $450, depending on the type of species selected and size of tree. Tree donations are accepted year-round, but are only planted during the last two weeks of June and the first two weeks of October (weather permitting). Evergreens are only planted during the October planting weeks. All newly planted trees will have a 25 gallon water bag placed at the base of their trunk and regularly watered for the first two years or until established. Should your donated tree become damaged or die, it will be replaced at no cost to you. Peripheral plantings, landscape enhancements, or markers are not permitted.

**Benches**
The Memorial Bench Program is in the process of being phased out as the parks have reached their capacity for bench structures. At this time, you can adopt any remaining benches that exist within the parks that have not been designated as Memorial Benches. The cost to adopt is $150 plus the cost of the plaque. Once the last of the benches have been adopted, memorial benches will no longer be offered.

**Thank you to all who have purchased and adopted benches. You have provided many places for people to sit, rest, chat and enjoy the beauty within our parks.**

**Personalization**
Tree and bench donations can be personalized with a bronze plaque, which is also sold at cost. Plaques are placed at the base of the trees or attached to the bench back.
