Reminder

- **No School on March 2nd**

- **Spring Break from March 23rd through March 27th; No PALS!**

Electronics

We have similar rules/policies to cell phones and technology as the school. Cell phones, iPad's and other electronics are not allowed to be used during PALS. If a student needs to use it for their homework they will be allowed. Students need to inform us if they need to use electronics for this purpose.

Snacks:
We provide a small snack in the AM and PM Program.
All of our snacks are peanut and tree nut free.

Your child is welcome to bring in their own snack too.
