Little Bear Ribfest 2021

Food Vendor Conditions of Participation

Application must be received by July 16, 2021

Payment due by July 30, 2021

Dates and Times of Event

Friday, Aug 20..... 6pm-11pm

Saturday, Aug 21 4pm-11pm

Fees

The fee for the event is \$500. This includes one 10x10 tent and overhead light. There is also a \$250 damage deposit fee. You can send one check for \$750, and you will receive a \$250 refund after the event (see "Clean-up" section). Make check payable to Vernon Hills Park District. If you would like to rent an additional 10x10 tent for \$250, please include this fee with your payment

Vendor Selection

Festival shall have the sole and exclusive right to order the closing or cancellation of any vendor's activity or any portion of thereof, should the Festival believe that the activity is not operated safely, or should the Festival decide, at it's discretion, that the best interests of the Festival would be served by closing the vendor's activity or any portion thereof. Vendor understands and agrees that the Festival shall have full discretion to accept or deny any application for participation in the Festival for any reason. We will award vendor space based on the overall menu balance & pricing offered, the quality of the food and presentation, the vendor's health department issues with selling food at these types of events and the date when we receive the application.

Health Department Application

Selected vendors **must** apply for a Lake County temporary health permit. It is the vendor's responsibility to assure prompt return of paperwork, including permit fees. Any delay in applications will be subject to fines from the Lake County Health Department. Any other questions can be directed to the Lake County Health Department at 847.377.8040.

Certificate of Insurance

Selected vendors must provide a certificate of insurance naming the Vernon Hills Park District as additionally insured. We must also receive a certificate with proof of workmen's compensation insurance.

Accepted forms of payment

While most guests will be paying with cash, it is up to each vendor whether to accept credit/debit card payments. Each vendor is responsible for setting up their own digital payment system (ipad, tablet). There is no wifi available at the event site. Vendors keep 100% of their food sales.

Set-Up

Set-up time is 10am to 2pm on Fri, Aug 20. Vendors who would like to set up on Thurs, Aug 19 must indicate so on the application. All Fees, Health Permits and Certificate of Insurance must be received before set up can take place. Tent locations will be pre-assigned at the vendor meeting.

Menu Items

Only approved products will be allowed to be sold. The prices posted on opening day are the prices which must remain in effect during the entire event. Prices will be posted in an upright position so that they are readable to customers standing in line. No glass bottles will be allowed. All beverages must be pre-approved by the ribfest organizers. Prior to the event date, there will be a food vendor meeting to go over menu details. All vendors will charge the same amount for full slabs, half slabs, and taste portions. Final prices will be determined at the pre-event vendor meeting.

Go Green at Ribfest

The Park District is committed to lessening the environmental impact of this event. Please use the on-site recycling containers for your recyclable material. Consider using compostable plates and flatware for this event.

Clean Up

Clean up will begin immediately after the festival is closed on Sat, Aug 21 and the park is cleared of people. No vendor will be able to breakdown early. Removal of equipment can only begin after the park closes. Any vendor removing equipment early is subject to loss of their damage deposit. Early removal of equipment is not only dangerous to the festival patrons but does not look professional. Food vendors are responsible for cleaning the area under and behind their tent. Grease, cooking oil and waste must NOT be dumped anywhere on park grounds. This will be monitored closely by the Health Department and the Park District. We will provide appropriate containers for disposal of gray water and cooking oils. A trash container will be provided for the disposal of other waste products. DO NOT use the trash containers on the park grounds. A roll-off container will be located on the street, near the entrance for food vendors.

We sincerely hope that this event will be fun and profitable for each vendor. We ask that each of the previously mentioned conditions be adhered to. Once the event begins, failure to comply may result in the termination of participation without refund of your fees.
