

PALS SOUTH— PM

MEET MELISSA SUAREZ

My name is Melissa Suarez.

I've been with the Vernon Hills Park District for many years now, helping out at several sites. I started out as a counselor at PALS South.

Last year I was promoted to PALS North Supervisor and have loved every minute of it. This year I'm so excited to be back at PALS South as your PALS South supervisor!

I love working with children. I am the mother of 2 grown children and have a grandson.

I'm looking forward to meeting our parents, new Pals students, returning Pals students and the students that know me from my work at South/ Aspen.
