PLAY LONGER,

Mission Statement

Conserving nature, supporting wellness, and inspiring leisure for all.

Illinois Distinguished Accredited Agency 2024-2029

Vernon Hills Park District is once again recognized as an Illinois Distinguished Accredited Agency by the Illinois Association of Park Districts and the Illinois Park and Recreation Association. The two statewide associations administer the Illinois Distinguished Accreditation program with the goal of improving the delivery of park and recreation services to Illinois residents. It is a voluntary, comprehensive evaluation process to demonstrate that agencies have met state guidelines to provide exceptional services to their community. Only 15% of Park Districts receive this accreditation and Vernon Hills has held this distinction since 2006.

Gold Medal Award Winner

Vernon Hills Park District is proud to be a 2021 National Gold Medal Award winner for Excellence in Park and Recreation Management.

Park Board/Board Meetings

The District is governed by five elected Commissioners who set policy for the operation of the Park District.

Park Board meetings are held on the fourth Thursday of each month at 6 PM at the Sullivan Community Center, 635 N. Aspen Drive, unless otherwise posted. Please call or visit us online at www.vhparkdistrict.org to confirm the dates or times. Meetings are open to the public and residents are invited to share comments or suggestions during the appropriate time as listed on the agenda.

LIVE STRONGER

Dear Vernon Hills Residents,

Summer is our favorite time with families enjoying the parks and playgrounds, friendly competitions at our many athletic fields, outdoor special events, and relaxing by the pool.

Turtle Creek Waterpark opens for the season on May 31! There is a lot of activity at the waterpark this spring getting ready for opening day – you will notice a renovated entry, colorful murals, new signage, and the sprayground! New this year is a Splash Pass! This is a pre and post season pass to the sprayground. By adding the Splash Pass to your regular season pass, weather permitting, you can enjoy the sprayground from May 17 through September 21. Be sure to pick-up a Summer Aquatic Guide at the Sullivan Community Center to learn about the events happening at Turtle Creek Waterpark.

Camp registration has begun! With 14 unique day camps offered, kids in preschool through 10th grade can choose a camp that interests them. For kids who prefer specialty camps such as sports, robotics or art, we have those too! Most day camps are two-weeks with four sessions offered this summer allowing for variety in your child's summer fun! Our specialty camps are typically one-week.

Lakeview Fitness' outdoor patio is the first of its kind in our area. Weather permitting, classes will begin outdoors this spring. Students and staff who work at an educational institution can purchase a 3-month pass beginning May 1. I encourage you to sign-up for a free one-day visit and see all that Lakeview Fitness has to offer.

Our District continues conservation work this summer. A grant was awarded to install a Pollinator Garden at Peterson Park. This is beneficial to the environment by attracting bees and monarchs to native flowers. The Seavey Ditch Restoration Project at Hawthorn Melody Park includes cleaning out the ditch, reforming the banks, and keeping erosion from destroying the lakes downstream.

Have fun this summer and be sure to take time to enjoy your parks.

David Doerhoefer

PARK NEWS

Park News Summer 2025

Pollinator Garden

The Vernon Hills Park District Parks Department will be installing a new pollinator garden at Peterson Park this Summer. This project is being funded in part by a grant received from the Illinois Department of Natural Resources (IDNR). The garden will create a completely native habitat for local pollinators of all kinds, including bees, monarchs, native flowers and more.

Over the past few decades, a variety of factors have been responsible for a large decrease in pollinator populations. These include rising temperatures, migrations of invasive species, and increased use of pesticides. It is important to defend natural pollinators due to the essential work they do in maintaining our local ecosystems. This project intends to create a natural space to support pollinator populations and the important work they do for the environment.

Native plants along the Seavey Ditch

Seavey Ditch Restoration

The Village of Vernon Hills is working with the Lake County Storm Water Maintenance Commission and the Vernon Hills Park District to restore the Seavey Ditch from Hazeltine Drive to Lake Charles. The restoration project will involve removing trees, cleaning out the creek, reforming the banks, and preventing erosion from filling in and damaging the lakes downstream. The banks of the creek will be planted with natives to help prevent pollution from running into the creek. The project began in March and will proceed throughout the year.

Carriage Green Playground

The Vernon Hills Park District Parks Department will be removing the old playground at Carriage Green and installing a new one this summer. The project is still in the early developmental stage but we urge everyone to keep checking our website for updates regarding the project.

All classes must have a minimum number of participants registered 2-7 days before a class begins, or it will be canceled.

Resident/Non-Resident (NR) Fees

Vernon Hills residents significantly contribute to the operating budget of the Park District by paying property taxes. Everyone who resides within the boundaries of the Park District are eligible to receive resident discounted rates. Any resident with a valid Vernon Hills address will be assigned Resident status. All Vernon Hills addresses are verified using the Lake County Geographic Information System (GIS). Residents living within Hawthorn School District 73 are also eligible to receive resident discounted rates for programs, Lakeview Fitness memberships, and Lakeview Fitness daily passes. The only exception is daily admission to Turtle Creek Waterpark. Non-resident fees are the second fees shown in program descriptions. These rates are not discounted and are necessary in order to ensure that non-resident participants contribute to the overall financing of the park system on an equitable basis with residents.

Senior Citizen Discount

Senior discounts are available for individual passes and membership to Lakeview Fitness for residents aged 62 & older. For all other programs and Turtle Creek Waterpark, up to a 20% discount will be applied.

Non-Sufficient Funds (NSF) Policy

A \$25 service charge will be assessed on all checks returned due to non-sufficient funds.

Visual Media

The District takes photographs and/or video of participants for promoting/advertising our programs, services, events, activities, and facilities in our program guides, websites, agency social media sites, and other promotional avenues. By registering for, participating in or attending District programs, events, or other activities, the participant (or parent/guardian of a minor participant) irrevocably agrees to the use and distribution by the Park District of his or her image (or of his minor child/ward) in photographs, video recordings, and any other electronic reproductions of such programs, events and activities for any purpose without inspection or approval and without compensation, rights to royalties or any other consideration now and in the future.

Residents are encouraged to submit photos for the Park District to use in its informational materials. To submit a photo, email Sam Falco, Marketing Specialist, at samf@vhparkdistrict.org.

Each year, vandalism costs the Park District thousands of dollars. Higher costs of maintenance, repair, and clean up of park areas can be avoided with your help. Should you see vandalism in progress, please call 911.

Discipline

A positive approach is used regarding discipline. Staff periodically reviews rules with participants during programs. If inappropriate or unacceptable behavior occurs, prompt resolution will be sought and the District Behavior Management Policy (2.39) will be used as a guideline.
