**VERNON HILLS PARK DISTRICT
RULES AND REGULATIONS FOR IMPLEMENTATION
OF THE ILLINOIS FREEDOM OF INFORMATION ACT (FOIA)**

These guidelines ("FOIA Guidelines") outline procedures and contain instructions for orderly compliance with the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.* (the Act"), by Vernon Hills Park District (the "District") and any persons requesting public records from the District (a "Requestor").

The District will respond to all written requests for inspection or copying of public records in accordance the Act, these FOIA Guidelines, and other applicable law. Under the Act, the District must disclose to any Requestor for inspection or copying all requested public records except public records that are exempted from disclosure by the Act or other applicable law. Requests falling within any of thee exemptions may be denied in the sole discretion of the District.

All notices and other communications in connection with a request to inspect or copy records under the Act shall be sent to: Executive Director, or designee Administrative Assistant, Vernon Hills Park District, 635 N. Aspen Drive, Vernon Hills, Illinois 60061. The Park District's main telephone number is 847-996-6800. The District has Request Forms available for your use in requesting to inspect or obtain copies of public records, and we strongly encourage you to use these forms for this purpose (See attached FORM 1). Additional Request Forms may be obtained from the District and are also available on our website, www.vhparkdistrict.org. The District will respond to all written requests to inspect or copy public records within five working days after receipt of the request.

I. INTERPRETATION

A. Conflicts and Invalidity

These FOIA Guidelines do not supersede, nor are they intended to supersede, the provisions of the Act. In the event that these FOIA Guidelines in any way conflict with the Act, the provisions of the Act shall govern and take precedence over these FOIA Guidelines. If any provision of these FOIA Guidelines is deemed illegal or unenforceable, all other provisions and the application thereof shall remain unaffected to the extent permitted by law.

B. Definitions

In addition to the definitions provided in the Act, the following definitions are applicable to these FOIA Guidelines:

1. Director: The Executive Director of the Vernon Hills Park District or his or her designee.
2. Business Hours: 8:30 a.m. to 5:00 p.m. on a working day.
3. Working Day: Any day on which the Administrative Office is open and staffed for regular public business during Business Hours. Working Days are generally Monday through Friday, except recognized legal holidays.

C. Measure of Time

1. Days: In counting the number of days allowed for any response or decision required to be given by the District pursuant to the Act or these FOIA Guidelines, the day on which the request or notice requiring such response or decision was first received shall be included provided such request is received during normal business hours.

2. Supplemental Requests: Supplemental or additional requests to inspect or copy public records shall not relate back to the time of receipt of the initial request. Supplemental or additional requests shall be considered new requests for purposes of determining all applicable time periods.
3. Response Date: All responses and decisions required to be issued by the District pursuant to the Act or these FOIA Guidelines shall be conclusively deemed to have been given as of the date of personal delivery to the person or to the residence of the person entitled to such response or decision or, if mailed, as of the date of mailing, regardless of the date of actual receipt by such person. Each such response and decision shall include a verified proof of service evidencing the method by which, and time at which, such response or decision was delivered.

II. REQUESTS FOR INSPECTION OR COPYING OF PUBLIC RECORDS

A. Officials Responsible for Responding to Requests

The Director shall be the person administratively responsible for receiving and processing all requests to inspect or copy public records filed pursuant to the Act and these FOIA Guidelines. The Director shall be the person with authority on behalf of the District to respond to such requests, and to issue the appropriate notices with respect to such matters. The Director may consult with the District's Attorney before responding to any request to inspect or copy public records.

B. Request Form

All requests to inspect or copy public records must be made in writing to the Director. We recommend that all such requests be filed with the Director on the form attached hereto as FORM 1 or on a form substantially similar to FORM 1 approved by the District ("The Request Form"). Additional Request Forms may be obtained from the District and are also available on our website, www.vhparkdistrict.org. The District will respond to all written requests to inspect or copy public records within five (5) working days after receipt of the request.

C. Request Form Submittal

Completed Request Forms may be filed with the District by mail, overnight courier service or in person. Request Forms submitted in person shall be handed to the Director at the Administrative Office. Request Forms submitted by mail or other means shall be addressed to the Director at the Administrative Office and shall be deemed received only upon actual receipt by the Director on a Working Day, regardless of date of mailing.

D. Request Form Processing

The Director shall stamp or mark each Request Form with the date and time of receipt.

III. RESPONSES TO REQUESTS

A. Time for Response

The Director shall respond to Request Form filed pursuant to Section II of these FOIA Guidelines within five (5) Working Days after such Request Form is received by the District.

Extension of Time

If the Director determines that additional time is needed and allowed under the Act to respond to a Request Form filed pursuant to Section II of these FOIA Guidelines, the Director shall notify the Requestor in writing of such determination, of the reasons requiring the extension, and of the length of the extension, which shall not in any event exceed five (5) Working Days.

B. Form of Response

1. Disclosure of Public Records

- (a) If the Director determines that the Act requires disclosure of all or any part or portion of any public records requested on a Request Form filed pursuant to Section II of these FOIA Guidelines, the Director shall cause those records to be produced for inspection or copying.
- (b) Except as otherwise specifically authorized by the Director, only District personnel shall be permitted to search District files, records or storage areas; to use District equipment; or to make copies of District public records.
- (c) Public records may not be removed from the Administrative Offices.
- (d) Public records may be inspected, or copies of public records obtained, during Business Hours at the Administrative Offices.
- (e) Because space is limited, Requestors must make arrangements in advance with the Director for a specific appointment to inspect public records at the Administrative Offices.
- (f) The Requestor shall be required to pay all copying fees in advance of receiving copies of any public records.
- (g) Requests for the reproduction of any public records which are in the form of tape recordings will be honored in accordance with the provisions of the Act and these FOIA Guidelines.
- (h) Upon inspection or delivery of copies of the requested public records the Requestor may be required to acknowledge such fact in writing.

2. Categorical Requests

- (a) Requests calling for all records falling within a category shall be complied with unless the Director determines that compliance with the request would be unduly burdensome, there is no way to narrow the request, and the burden on the District outweighs the public interest in the information.
- (b) Before making such a determination, the Director shall extend to the Requestor in writing an opportunity to confer in an attempt to reduce the request to manageable proportions.
- (c) If the Requestor responds to the Director's written notice within fourteen (14) Working Days the Director shall respond to the Request Form, or to the Request Form as narrowed, within five (5) Working Days following the date of the Requestor's response. The Director's response may take any form specified in the Subsection III.B.

- (d) If the Requestor does not respond to the Director's written notice within fourteen (14) Working Days the Director shall deny the request pursuant to Paragraph III. B(3) below.
- (e) Repeated requests for the same records by the same person or on behalf of the same organization or group shall be deemed unduly burdensome.

3. Denial

If the Director determines that all or any part or portion of any public records requested on a Request Form filed pursuant to Section II of these FOIA Guidelines are not subject to disclosure under the Act, the Director shall notify the Requestor in writing of such determination ("Notice of Denial"). The Notice of Denial shall state the reason for the denial and notify the Requestor of the Requestor's right to appeal the Director's denial to the President of the Park Board (the "President").

C. Failure to Respond

If the Director fails to respond to a Request Form properly filed pursuant to Section II of these FOIA Guidelines, the request shall be deemed to be denied as of the last day permitted for such response.

D. No Obligation to Create New Records

Neither the Act nor these FOIA Guidelines create an obligation on the part of the District to maintain or prepare any public record which was not maintained or prepared by the District at the time when the Act became effective.

IV. APPEALS

A. Notice of Appeal

If a Requestor disagrees with a Notice of Denial and wishes to appeal, then such Requestor must file a written notice of appeal with the President ("Notice of Appeal").

B. Action on Appeal

Upon receipt of a Notice of Appeal, the President shall review the public records requested and make a determination as to whether such public records must be disclosed pursuant to the Act. Within five (5) Working Days after the receipt of a Notice of Appeal, the President shall notify the Requestor of such determination. Such notice shall be given in writing, and if access to the requested records is denied, shall state that the Requestor has a right to judicial review of the decision.

C. Failure to Decide

If the President fails to issue a decision granting or denying an appeal within five (5) Working Days after receipt of a Notice of Appeal, the appeal shall be deemed to be denied as of the last day permitted for issuing such decision.

IV. FEES

A. Fees Established

Unless fees are waived or reduced pursuant to Subsection V.C below, each Requestor shall pay the following fees for copying and certification of public records:

- | | | |
|----|---------------------|---|
| 1. | Copies (8 ½" x 11") | No Charge for first 50 pages
\$0.15 per page over 50 |
| 2. | Copies (Oversize) | Actual cost to reproduce |
| 3. | Certification | \$0.50 per page/document |

Where the services of an outside vendor are required to copy any public record, including tape recordings, the actual charges of such outside vendor shall be the fees for copying such records, notwithstanding the fees stated above.

Such fees are hereby found to be no more than necessary to reimburse the District for the actual cost of reproducing and certifying public records requested pursuant to the Act and these FOIA Guidelines.

B. Method and Time of Payment

Payment of all required fees must be made in cash, by cashier's or certified check, or by money order prior to the copying or certification of any public record.

C. Waiver of Fees

If the Requestor seeks a waiver or reduction of the fees set forth in Subsection V.A. the Requestor must so state and also state the principal purpose of the request. If the stated purpose of the request is in the public interest, as defined by FOIA, the fees shall be waived or reduced by the Director, as appropriate. Any request for fee waiver or reduction must be indicated on the Request Form at the time the Request Form is filed.

The Director may consider the number of requested public records and the cost and necessity of copying them in setting the fee waiver or reduction amount.

V. DISTRICT OBLIGATIONS
